

3 Day Retreat

The Power of True Voice

Chris James 22 - 24 September 2018

Bring out your true voice

Experience the power and potential of your Natural Voice with Internationally acclaimed voice coach and singer Chris James.

From corporations to schools – known for his unique ability to support people to 'bring out the best' – Chris makes it fun and easy.

Suitable for everyone

No experience required

Re-discover your naturally expressive, confident self with self empowering life skills

- Enhance communication and connection with personal and professional relationships
- Build vocal resonance and presence
- Explore skills that release accumulated stress and anxiety
- Practice self-care that develops health, wellbeing and vitality

“ Chris has the lightest way of delivering truth and beauty back into expression, reconnecting to the part of me that was always there – just busting to get out.
