

Australian Residential Retreat

Power of Your True Voice

Chris James

9 - 11 November 2018

Experience the power and limitless potential of your natural voice and expression with internationally acclaimed voice coach, singer and musician Chris James.

From schools, corporations, to everyone ... expression is in all aspects of life. Known for his unique ability to support people to 'bring out the best' – speaking and singing, Chris shows how loving your voice and expression is fun and easy.

Suitable for everyone
No experience required

Re-discover your naturally expressive, confident self with empowering life skills

- Develop your personal presence and vocal resonance
- Transform communication and self-expression in personal and professional relationships
- Practice skills that release accumulated stress and anxiety
- Experience how true self-care develops health, wellbeing and vitality in all aspects of life
- Have fun, love and appreciate your voice and the amazingness of who you truly are!

‘Chris has the lightest way of delivering truth and beauty back into expression, reconnecting to the part of me that was always there – just busting to get out.’
