

3 Day Retreat

Power of your True Voice

Chris James 21st-23rd September 2019

Express and communicate with ease and confidence in your life.
Maximise your personal and professional relationships.
Release tension and stress and experience empowering life-skills to be the 'true you' in the world.

'Chris has the lightest way of reconnecting with the part of me that was always there – just busting to get out.' EW

Learn tools to address stress around communication, singing & speaking.
Experience the power, presence and resonance of your natural voice.
