

The Power of *Your True Voice*

Brisbane 1 day Workshop
Sunday 3rd November 2019

the natural joy of speaking & singing with confidence

‘Chris James has an amazing way of helping people
to discover their own vocal strength and potential.’

Ella Rubeli, Producer Online Documentaries, SBS TV & Radio

Experience the presence and power of your voice and how your expression can release stress, enhance relationships and benefit your health and quality of life. This course empowers all aspects of your life as the ability to communicate, express and listen builds a foundation of health and true vitality. Everyone can naturally express with a voice that is beautiful, unique and a true expression of themselves. Everyone welcome, easy and fun!

Chris James

internationally acclaimed voice coach, singer and musician with over 25 years experience with all aspects of voice and expression.

From corporations to schools – all people of all ages . . . everyone is born with a beautiful and true voice.
